

# How to Download Articles

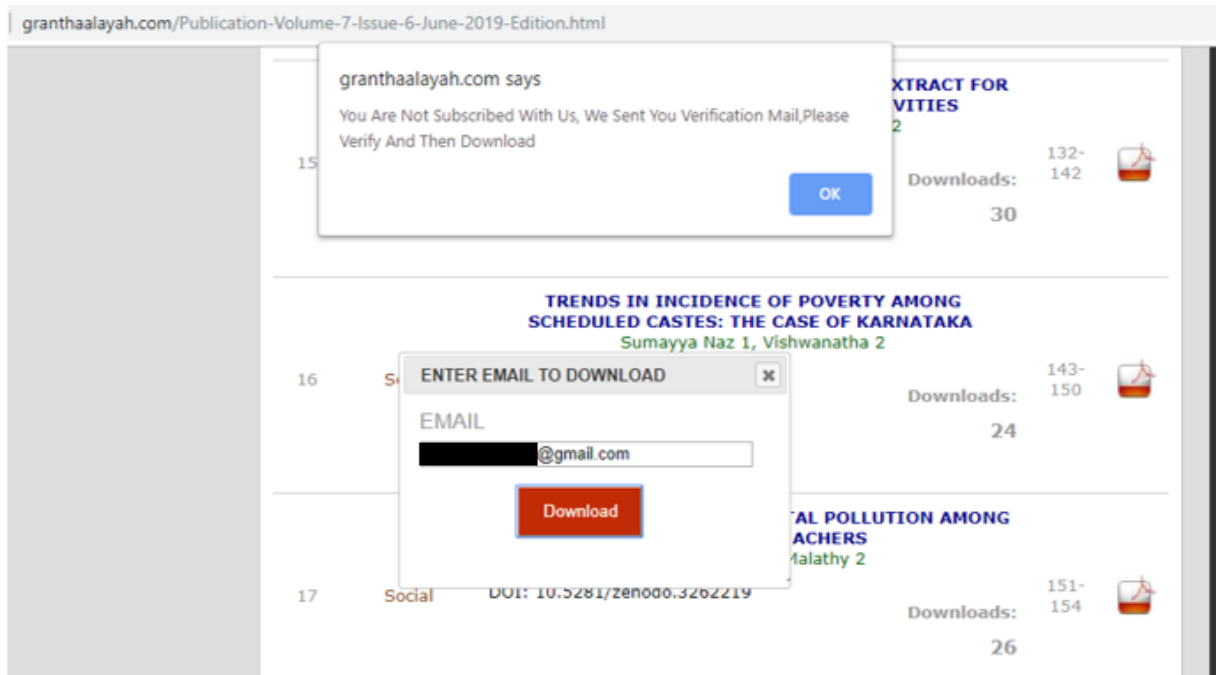

- Open [www.granthaalayah.com](http://www.granthaalayah.com) and then go to the issue

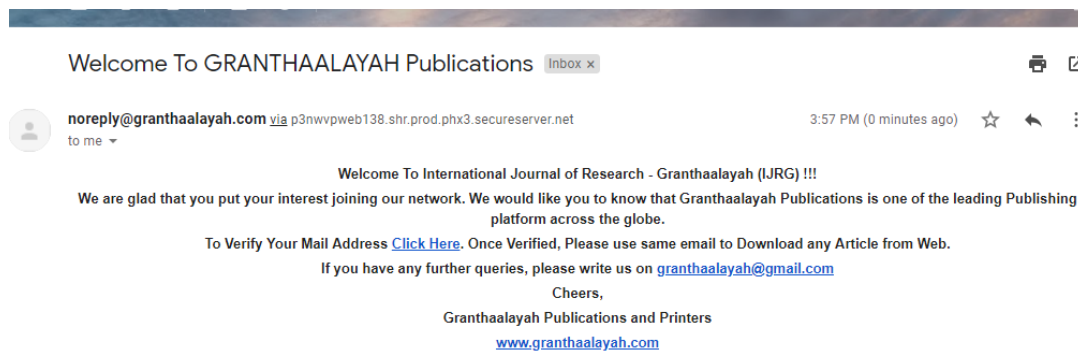

- Click on Pdf file Image, a popup appears to enter email to Download

- Please enter your email id and click Download

- You will receive email shortly on your email id to register (please check spam also and mark Report Not Spam), please verify once by **Click Here** option.

- You can now Open Issue and click on Pdf Image and give same email address you just verified and click download. Now you can download any manuscript from web using same email id at any time in future. To download using other email id – you need to follow same process.

Please contact [granthaalayah@gmail.com](mailto:granthaalayah@gmail.com) if you still face issue in downloading
