ABOUT SET-JU

The School of Engineering and Technology, Jain University (SET, JU), is a highly renowned Engineering Institution located in Bangalore. SET was established in 2005. SET offer 7 undergraduate and 9 post graduate courses. Our staff consists of highly accomplished individuals who hold postgraduate and doctoral degrees. We have 2500 students currently enrolled in various branches at our institute. SET does cutting edge research in areas such as Nano Technology, Disaster Mitigation, Polymers, Medicinal Chemistry, Remote Sensing Sensor Networks, Cloud Computing, Big Data Analysis, X-ray Crystallographic Studies. Moreover, SET has collaborated with the best companies in the industry such as ISRO, Infosys, Cognizant, HAL in order to enhance research and academic activities.

SET has realized that education can go beyond the conventional boundaries. Remarkable facilities and diverse co-curricular activities serve these educational purposes. Our well maintained campus provides a sense of persistent vision, stability and management. Besides classroom teaching, SET emphasizes on intensive interactions between students and mentors. It also provides state-of-the-art infrastructure facilities.

The main objective of the National Conference RACEE-17 is to provide a forum for scientists, researchers and engineers for sharing their innovative

ABOUT THE CONFERENCE

ideas and thoughts to advance knowledge and to address long term solution for methodological research problems in the fields of Communication, Electronics and Electrical Engineering.

The conference will bring together leading academic scientists, industrialist and research scholars in the domain of interest from around the country. It will be held on March 25th 2017 at SET-Jain University.

Topics of interest for submission include, but are not limited to:

Electronics and Communication Engineering

Real Time Embedded Systems, Analog and Mixed Signal Circuit Design, FPGA Design and Reconfigurable Systems, VLSI, MEMS RF and Wireless Communication, Optical Fiber Communication Digital Signal Processing, Short Range Technologies, Microwave and Antennas, Satellite and Space Communication, Surveillance & Navigational Systems, OFDM & MIMO Communication, 3G, 4G Communication and Networking, Mesh and Ad-hoc Networks, Wireless Sensor Networks & Body Area Networks

Electrical and Electronics Engineering

Renewable Energy/Energy conservation aspects/Energy efficient smart Systems, Smart grid, Hybrid energy systems, Analysis of Power quality and system stability, Energy management / Audit Electrical safety in EHV lines and substations, Green energy and Mitigation and green house gases, Carbon emission and Mitigation.

CALL FOR PAPERS

Interested Academicians, Scientists, Industry Personnel, Research Scholars & Students are invited to present Papers/Posters on mentioned above themes. The full length paper should not be more than six pages in given format shall reach the organizing secretary on or before 10/03/17 at E-mail id: jnanachilume.racee@gmail.com The full length paper should include the title, author affiliations, E-mail ID & telephone number.
